# NMB direct

# Profile Management
## User Guide

**With this functionality user is able to maintain and update their profile status as indicated.**

1. Go to Account settings ➡ '**My preference**' to view your profile details. If the details need to be updated, contact the bank for the updates through Clientdesk@nmbbank.co.tz OR visit the nearest branch;

2. You may view account numbers linked to your profile by selecting 'Primary account number';

3. You may edit/set your security questions by selecting 'Security and login' ➡ 'Edit';
